

## Press Release

06.05.2009

### ***Indian Oil Corporation Limited (IOCL) selects Uhde India for DHDT, VGO-HDT and HCDS System at Paradip Refinery ....***

IOCL has awarded Uhde India a contract for Consultancy Services for Project Management, Detailed Engineering, Procurement & Expediting Services, Tendering & Award, Construction Management & Supervision and Assistance in Start-Up, Commissioning & Performance Test Runs for DHDT Unit, VGO-HDT Unit and Hydrogen Compression & Distribution System (HCDS) at their Paradip Refinery Project at Orissa.

The above contract is yet another important assignment awarded to Uhde India by IOCL, in continuation to the various refinery and petrochemical projects that Uhde India is already implementing for India's largest Public Sector oil refining company at various locations across India. Uhde India is currently implementing Residue / Motor Spirit Quality Upgradation projects at IOCL's Gujarat, Guwahati, Digboi and Dhaligaon (Bongaigaon Refinery – now an Indian Oil company) refineries. In parallel, Uhde India is in an advanced stage of implementation of IOCL's HDPE and LLDPE-HDPE Swing Unit projects at their Naphtha Cracker complex at Panipat Refinery.

Apart from the above, Uhde India had the privilege of being associated as a Project Management Consultant (PMC) for some prestigious projects of IOCL at Vadodara, such as the Linear Alkyl Benzene (LAB) plant and the Motor Spirit Quality (MSQ) upgradation project at the Gujarat refinery.
