## Uhde Oil & Gas Group to participate in Oceanex 2012

The Uhde Oil & Gas Group comprising Uhde India and Uhde Shedden Australia will participate in Oceanex 2012 World Expo 2012 at the NSE Complex in Goregaon, Mumbai

The group harnesses the core competencies and strengths of its group companies which include Uhde India, amongst the leading engineering companies in the Indian sub-continent and Uhde Shedden Australia, a leading oil & gas engineering consulting company based in Australia. The Group's capabilities in Oil & Gas technologies, project conceptualisation, engineering and plant implementation are collectively represented under the banner Uhde Oil & Gas. The experience of the Group covers:

*Upstream Oil & Gas – Onshore / Offshore •*

Conventional Oil & Gas - Gas Processing - Field Development - Concept Studies - Shallow Water Offshore processing - Small FPSO •

*Unconventional Oil & Gas - Coal Bed Methane - Underground Coal Gasification*

*Midstream • Refining / Refining Units - Various refinery units for capacity augmentation; yield improvement / clean fuels, technology upgradation*

*Downstream - Petrochemicals / Organic Chemicals in the downstream chain*

The Group's experts will read papers on the following dates :

**February 10, 2012 at the Bombay Exhibition Centre**

**Session - IV (10:30am - 12:25pm): Bridging the Gap: New Hydrocarbon Portfolio options**

Timing	Topic	Speaker
11:00am -11:20am	Floating vs. Onshore LNG Regasification - The Advantages and Disadvantages	Mr Jiben Bhattacharya, External Consultant, ThyssenKrupp Uhde GmbH
12:00noon - 12:20pm	CBM vs Conventional Gas - Facilities Design	Ms. Janette Moore, Technology Services Manager, Uhde Shedden, Australia

On February 11, 2012 at the Bombay Exhibition Centre  
Session I (1100 - 1315 hrs): Technology Trends

Timing	Topic of Presentation	Speaker
1130 -1200 hrs	Hydrogen Technology for Refineries	Mr Prasad Khandalekar, Deputy General Manager, Process, Uhde India

In addition to this, the group's capabilities and experience will be showcased in stall E0004 in Hall 1 of the Exhibition.

The World Expo is an annual event for the Offshore, Onshore, Upstream, Midstream and Downstream Oil and Gas Industries, that is organised by the Chemtech Foundation.
